Hyderabad is the capital of the Indian state of Telangana. Occupying 650 square kilometres along the banks of the Musi river, Hyderabad city has a population of about 6.9 million making it the fourth-most populous city in India. At an average altitude of 542 metres (1,778 ft.), much of Hyderabad is situated on hilly terrain around artificial lakes, including Hussain Sagar—predating the city's founding. Hyderabad is the fifth-largest contributor to India's overall gross domestic product.
