AN OVERVIEW

We would like to welcome you to the home to the Rajput Kings, who claim ancestral ties to the Hindu god Rama, Jaipur boasts the most sumptuous, extravagant palaces in India. Le Meridien Jaipur too is an extravagantly regal hotel, a hotel that pays homage to the grandeur of Indian architecture with peacock arches and gleaming white stone.

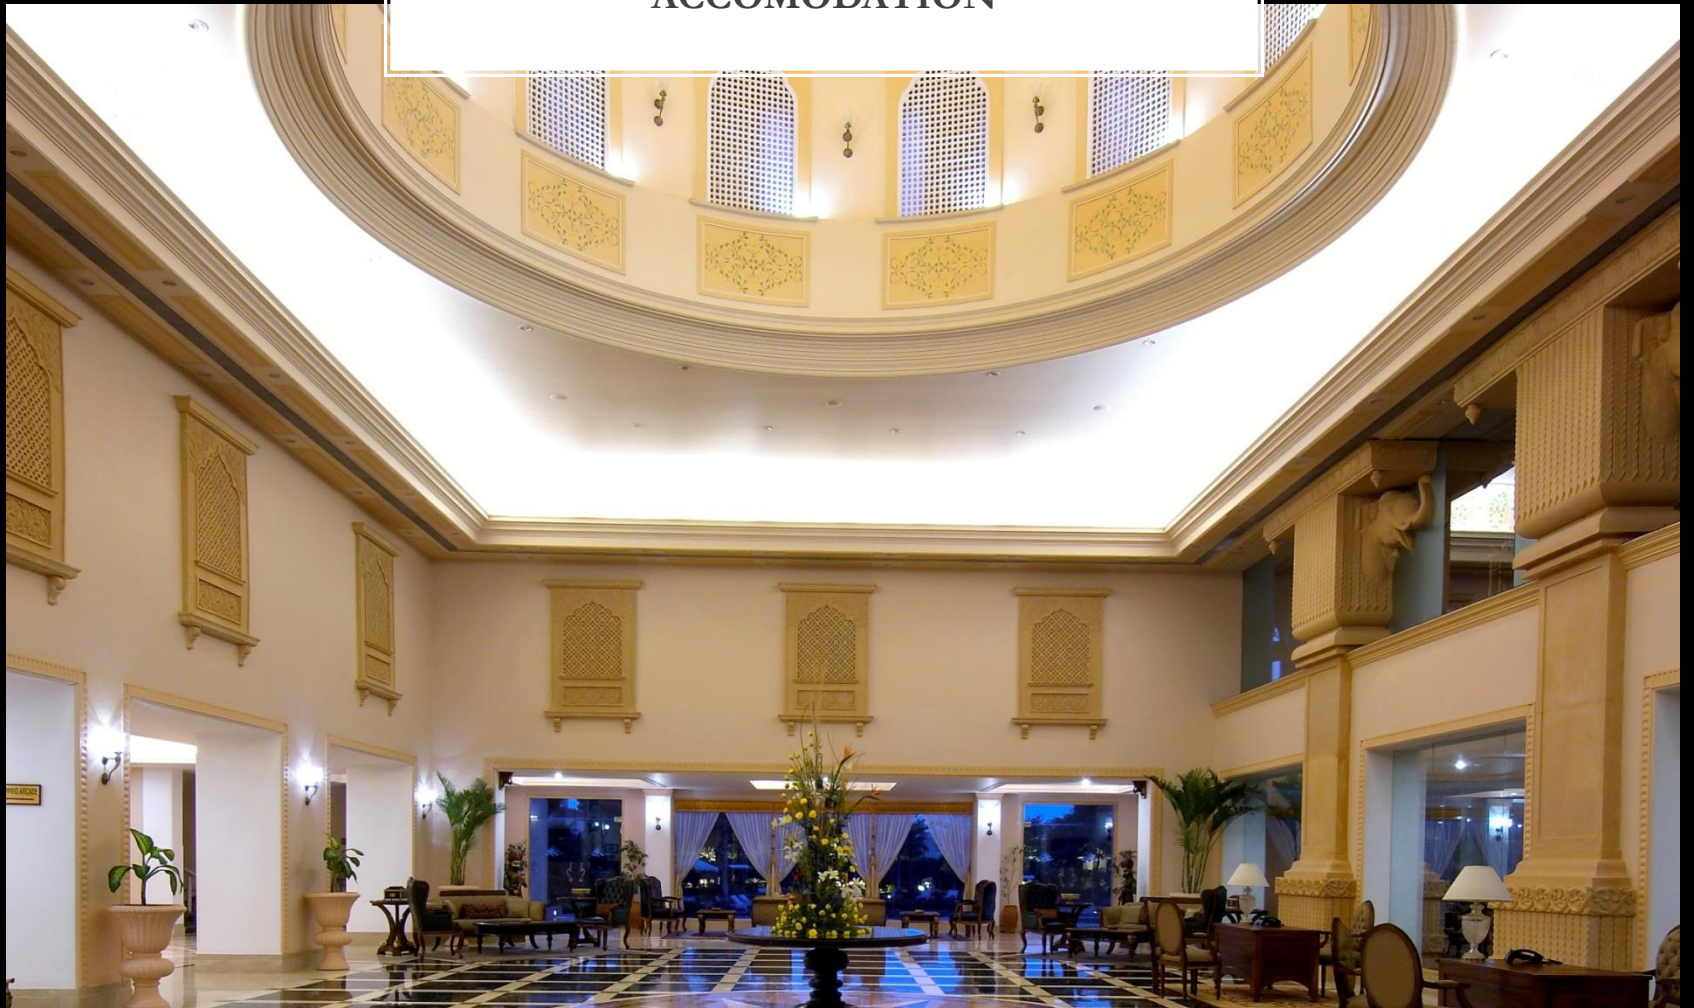

Le Méridien has been recognized for their signature brand initiative, the 'Arrival Experience'. We strongly believe that The Arrival Experience makes the first 10 minutes after arriving at the hotel a memorable and unique experience. "Transforming the Arrival of our guests from a functional and process driven routine into an experience that emotionally connects with our guests and the local community is our goal. We have taken a unique approach by using contemporary art that is curated by our LM100™ Creative Community artists.
