THE BEAUTY OF SIMPLICITY

Fairfield[®]
BY MARRIOTT

Our Heritage Story

In 1951, John Willard and Alice Marriott purchased Fairfield Farm and fell in love at first sight. Breathtaking views of the Blue Ridge Mountains, the gentle flow of the Rappahannock River, and the natural sights and sounds reminded JW of his childhood back in Utah. It was a restorative place that represents simplicity, balance and a comfortable way of life. The Marriott family hosted friends, business associates and dignitaries at the farm, as it was a perfect place for all to connect and escape the stress of their hectic lives. While at the Fairfield Farm, JW and Alice Marriott perfected their unique take on hospitality, treating their guests with warm, friendly service. The pure, found joy and natural ease of the farm inspired Marriott to create Fairfield by Marriott in 1987, a brand built on the principles of family, comfort and simplicity.

Today, the tradition established by JW and Alice Marriott is represented by Fairfield's warm and friendly service which ensures every guest's stay is just right. Because, like the Marriott Fairfield Farm, our guests will have a simple, seamless and stress-free experience every time they stay with us.
